

Baggage packing tips

Check-in baggage

- Hajjis will be allowed 02 bags of maximum 20 kgs each.
- Ensure that minimum requirements are carried out, as normally weights increase on return due purchases in Makkah / Madinah.
- Carry Medication only for the duration of the Haj Yatra, as any extra medicines would be carriage in commercial quantity and liable to customs regulations.
- Foodstuff too should be enough, only for the duration of the journey.
- Travel as light as possible
- DO NOT CARRY ANY PARCELS / GIFTS RECEIVED FROM OTHERS.
- Baggage should not be tied with ropes as KSA Authorities object to the same.
If baggages are tied with ropes they need to be safe wrapped.

Baggage packing tips

Hand baggage

- Keep handbags light as they need to be carried by the pilgrim at every point.
Carry an extra set of Xerox copies in accompanying guest baggage.
- Dimension of 56x45x25cm / 22x18x10in
- Each pilgrim should carry his own baggage.
- Count and pick up the handbags at every point.

Phase 1 - 48 hours before departure.

Reporting at Haj House

- Hajis to report to the Haj House.
- Haji needs to get him self inoculated and inform Haj Committee of any medical problems at this time, as medical FIT TO FLY if needed is to be prepared before coming to Airport.
- **'FIT TO FLY' is not provided by airport doctors.**
- Haj should ensure that his handbags and check-in bags comply with the regulations and should ensure that all bags are packed in his presence and **should not carry any baggage for others.**
- Check-in baggage and hand-baggage should be labelled inside and out.
- **Hajis should always carry an extra photocopy of all documents in his hand baggage.**

24 hours before scheduled departure.
